National Representatives Servicing Telco Locals

From: Kim Beemer, National Representative

As per my memo dated October 22, 2007, Pierre Bujold confirmed that the pension statements have been mailed to all employees. The information packages include the date and time of an informational Conference Call along with a list of participants. According to the Company, two information sessions will be scheduled depending on the age of the employee, on or before December 2011.

The first session is on: **New Revised Date: Tuesday November 20, 2007, 1:30 p.m.**

~~Tuesday, November 13, 2007, 1:30 p.m. (English)~~

In addition to the above, I have attached the PPT presentation that will be presented by the BCE folks.

I will provide further details of the second session once they are received.

I urge the Local Officers to participate in this call, as well as any available National staff. My apologies in advance as I am unable to take part in the call due to BARC negotiations.

In solidarity,

Kim L. Beemer
