**TO: Locals with Members in the Transervice Bargaining Unit
National Representatives Servicing Transervice Locals**

FROM: Barb Dolan, Administrative Vice President, CEP Ontario Region

Sisters and Brothers,

Your Bargaining Committee has worked toward streamlining your Collective Agreement from the Bell Canada Craft agreement and the 2007 Memorandum of Agreement. The Union has now heard back from Transervice. The Company does not agree to the modifications, therefore, no further discussions will occur regarding your Collective Agreement.

All Transervice members are advised to continue to use the red Bell Canada Craft and Services Agreement and the 2007 Memorandum of Agreement as their Collective Agreement until a new Collective Agreement is bargained in 2012.

Should you have any questions regarding this, feel free to contact me.

In solidarity,

Barb Dolan,
Administrative Vice President,
CEP Ontario Region.
