

BARGAINING BULLETIN # 1

TO: ALL LOCALS WITH BELL ALIANT CRAFT MEMBERS

During our preparations for bargaining this week, we have been informed by the Company that they will be unable to meet us for the scheduled first week of bargaining – January 25, 2015 – stating that they need to get their mandate from Bell CEO George Cope. That meeting will not occur until February 2, 2015.

Your bargaining team is outraged with the Company's stall tactics as we are fully prepared to start bargaining and had assurances that the dates would be respected.

So as not to delay bargaining any further, the Union has asked the Company to add a week of bargaining in February.

If we are provided with details on any new developments we will pass them on as soon as possible.

In Solidarity there is Strength!
